VOL 24, NO. 39

SIERRA MADRE, COUNTY OF LOS ANGELES, CALIFORNIA

FRIDAY, JUNE 27, 1930

Citizens Demand Delays Cease, Get Pledge of Quick Action in Central Ave. Case

Ordinance of Intention to Improve May Pass Next Council Meeting

Somewhat concerned over continued delay in the arrangement of details that would permit the City Council to pass an ordinance of intention for the Central Avenue improvement and allow construction of the new boulevard to begin, a delegation of citizens attended the council meeting on Wednesday night to ascertain the cause of delay and insist upon immediate ironing out of any difficulties.

President J. O. Smith, of the Central Avenue Property Owners Association, demanded to know the reason for continued delay and when the people might reasonably expect that the obstacles standing in the way of actual construction of the new thoroughfare will be removed.

Engineer Ralph S. Brooks explained that rezoning of much of the territory between Sierra Madre Villa, in Pasadena, and Sierra Madre avenue, in this city, had held up completion of the necessary details. He gave assurance, however, that an earnest effort would be made and that he had little doubt but that the Council might proceed with passage of the ordinance of intention at its meeting on July 9, or possibly at a special meeting before that time. It was understood that the Council would meet for the purpose of adopting specifications for the improvement before its next regular meeting at which time it may take up the ordinance if the engineers have completed their preliminary work.

A further protest against the improvement in the form of a letter was received from E. Waldo Ward, local orange grower and maralade manufacturer. It was ordered filed with similar documents.

City Clerk Elmer A. Green read a petition presented by Frank Widdis signed by 140 property owners in Canyon Park representing 281 lots recommending that streets in the canyon scheduled for improvement be paved with crushed rock rolled with asphaltic oil to a depth of four inches and concave in shape so as to carry off the water, at a cost not to exceed \$20,000. The petition was referred to the engineers.

A permit to do private contracting was granted George Baldwin.

A communication from Emilie Smith, president of the Sierra Madre Tennis Club, stated that the tennis courts in the city park require resurfacing and repairs. Warrants aggregating \$3,269.98 were ordered drawn and collection of \$185 in June fines was reported.

A request from the city of Arcadia that Sierra Madre change the name of Live Oak avenue to aid that city in abolishing one of her two "Live Oak avenues" was referred to the street committee.

"COUNCIL SAVE THOSE TREES" PLEA OF LEE SHIPPEY FAILS; ISLAND OF SYCAMORES IS GONE

Lee Shippey's effort to stay the woodman's axe from the graceful clump of old sycamores that jutted into Auburn avenue near Laurel was too late. A vigorous protest from the columnist against their removal was received by THE NEWS after the axe had fallen and the trees were no more. Workmen are now straightening out the curb that circled about them into the thoroughfare which will hereafter be of uniform width.

Removal of the trees on the ground that they were a menace to motorists was recommended to the Council several weeks ago by Police Chief McMillen. Council referred the question to the city planning commission with power to act. The commission evidently thought that what the city would lose in picturesque beauty would be more than gained in public safety for it voted their destruction and employees of the engineering department went to the work of destruction on Wednesday morning.

Shippey thought entirely differently about the matter. Here is his protest:

Dear News:
May I protest, through your columns, against the proposal to cut the seven graceful sycamores which stand in a safety island in Auburn Avenue near Laurel? Until recently I lived within stone-throw of that lovely clump of trees, and it is my conviction that instead of being a menace and a danger they are a protection to our school children. They pinch the street up so that even youthful motorists—and goodness knows there is nothing any emptier headed—slow

up and drive carefully past that spot.

The fact that there has never been an accident there, or because of those trees, so far as I can learn, should be in their favor, especially when so continually accidents at other places. A year and a half ago one of my boys, then four and a half years old, was hit by a motor car in the safety zone at the school crossing just as the kindergarten children were swarming out of school at noon. That motorist had slowed down to pass the sycamores, but when nothing but soft-bodied children were in the way he stepped on it.

Auburn is a long hill, easy to come down at terrific speed and one which many drivers speed upward faster than they should.

But the great reason, in my humble opinion, is that that clump of sycamores is the quaintest and most distinguished touch of loveliness in all Sierra Madre. Every visitor to the Wistaria Fete notices it—and people who would drive miles to see a wistaria vine are just the sort of people who would admire that clump of trees and honor the city which preserves them.

LEE SHIPPEY.

Shippey also lost the decision before the Woman's Club, to which he appealed for assistance in saving the sycamores. He addressed a letter to the club, asking that it join with him in the protest. The matter went to a vote. Shippey and sentiment lost to public safety again and a letter was ordered sent the Council commending removal of the trees as a safety measure.

Hold Flood Waters In City's Own Basin Says Mayor Myers

Urging that flood waters be retained in the city settling basin instead of being allowed to flow from one central drain on Live Oak avenue into the Santa Anita flood control and thence into the San Gabriel flood channel, Mayor Al Myers addressed the City Council at its meeting on Wednesday on the subject of the county proposal made some time ago.

Under the plan proposed by the county, Sierra Madre would receive absolutely no benefit from the flood waters, which would be allowed to drain off the upper part of the valley. According to the plan proposed by Myers, three drains on Grandview, Central and Live Oak—would deposit the flood waters where they would be received in the city's own settling basin.

Ballots Big As Blankets Face Voters

Army of Candidates and Many Referendums Make Marking Difficult

The ballot at both of the approaching elections will be the largest ever known, in the August primary because of the large number of candidates to be passed upon and in the November general election because of the large number of proposed constitutional amendments and referendums that will be decided.

Most of the offices to be filled, ranging from the governorship to justices of the peace in the townships and including practically all of the important county officers, and all of the constitutional amendments are important, many of them vitally so.

In Los Angeles county the names of 289 persons will appear upon the August primary ballot, exclusive of the candidates for committeemen in the party organization and there are hundreds of these alone.

There are seven candidates for Governor, eight for Lieutenant Governor, four for Controller, four for State Treasurer, three for Attorney General and five for member of the board of equalization from the Fourth district.

Man Who Saw Great Virtues of Sierra Madre Is Honored

Gordon Whitnall, famed city planner who declared Sierra Madre to be one of the most perfect places in the world in which to live, was honored with a banquet and reception at the City Club, Los Angeles, and then elected President of the Association of City Planners of Los Angeles County. Mayor Al S. Myers and Councilman Lester K. Layton, of this city, were among the several hundred citizens to honor this outstanding citizen who is accepted as an authority on planning throughout the Nation. He served with great credit to himself and the betterment of Los Angeles for ten years as the executive secretary of its planning commission and has just resigned to engage in a private enterprise.

It was during a speech before the Planning Association at Tujunga that he proclaimed the virtues of Sierra Madre's climate to the world. On this occasion he said:

There are two places that climatically are as nearly perfect as could be found anywhere—Sierra Madre and the area centered at Tujunga. These two places are unusual in that they meet all three of the requirements for a healthful climate:

1. Elevation.
2. Situated on a south slope.
3. Approximately to and not right at an important defile to the mountains. This requirement has an important bearing on the circulation of air.

PASADENA FIREMEN STAGE CIRCUS AND FIREWORKS FOR 4TH

Plans have been completed for the sixth annual circus and fireworks exhibition to be given at the Pasadena Rose Bowl on the evening of July 4th at 8 P. M., under the auspices of the Pasadena Fire Department, for the benefit of the Relief Association, Band, Athletics, and other Department activities.

The program will consist of a three-ring circus in the Bowl under the personal direction of Charles Hatch, who has been connected for the past 30 years with circus shows all over the world. Special arrangements have been made to bring some sensational acts from the East. Contracts have been signed with the Four Sensational Jacks who work on apparatus 110 feet in the air, Mona and his eight Arabians, and his eight Arabians.

An Assembly Seat Sought By Layton

Local Councilman Enters Contest With Four Other Aspirants

Sierra Madre, which has never had an Assemblyman, State Senator, elective county official or major State or Federal appointee has offered the voters of the 53rd Assembly district a candidate for the Legislature in the person of City Councilman Lester K. Layton. His petition, signed

LESTER K. LAYTON

by practically every business and professional man of the city together with many from Monterey, Arcadia, El Monte, Puente, South Pasadena and Altadena, was filed with the register of voters late Saturday afternoon. He goes into the contest with four other candidates with his home community practically solidly behind him.

The four opponents of Sierra Madre's entry are William J. Clark, Frederick F. Hauser and M. H. LeVan, of Alhambra, and Percival J. Cooney, of El Monte, the latter a Democrat.

In filing his nomination petition Mr. Layton issued a statement to the people of the 53rd district in which he took a strong position on the reapportionment issue, declaring that without an equitable distribution of representation in California the Southern counties of the State cannot hope to secure the benefits of government to which they are justly entitled. Mr. Layton said:

What He Stands For

"I am a candidate on the Republican ticket for Assemblyman because I believe that, if the people elect me to that office, I am capable of serving them honestly and conscientiously and because I am anxious to see that certain measures that are of vital interest to our community pass the next session.

"I am particularly interested in proposed changes in Public Improvement Acts and the resulting assessments. I believe present legislation should be changed to better safeguard property owners from confiscatory and overlapping assessments. Some measure must be devised to prevent promoters from pushing through improvement projects whose cost cripples the small home owner.

"I am a hearty believer in necessary improvements and thoroughly realize how much of the marvelous development of our State is due to its wonderful highways; but I do not think it necessary to handle such improvements in such a manner that an undue burden is placed on the average property owner.

"I believe a more equitable division of the money derived from the gasoline tax would do much to help property owners of Southern California and I believe this section of the State should have more equal representation on the (Continued on Page Six)

Skyscraper Section Of New York Is Losing

The skyscraper section of New York City is the only center to show a loss in the census. The 1930 population will be about 6,990,000. Manhattan has 427,664 less residents than in 1920, but the surrounding boroughs, which make up the greater city, all show a gain of 22 per cent.

Old Health Dope All Wrong: Booze Is Good, Golf Bad

Golf is harmful and alcoholic liquor has its benefits, says Dr. William Muhlberg, president of the Association of Life Insurance Directors. The average golfer dubs a shot, gets mad, tears his hair, throws away or breaks his club, thus increasing his blood pressure, he says. He finds repose only at the "19th hole." A little alcohol soothes the nerves and makes the outlook on life brighter, says Dr. Muhlberg.

Looked Romantic And Everything, so They Married Here

Marion Frances Ruser, of Ventnor, N. J., and Kenne Woolbert, of Los Angeles, were on their way to Riverside to be married on Wednesday but Sierra Madre looked so picturesque and romantic and everything that they pulled up at the curb in front of the quaint little Spanish-city hall building and Judge William R. Lasater inspected their license and made them one. Florence D. Jensen, of the City Clerk's office and D. H. Lewis, of Pasadena, were official witnesses. The bride is switching her affections from the Atlantic to the Pacific, for her home town is a suburb of Atlantic City, greatest Eastern beach resort, and Mr. Woolbert is employed in the metropolis of the West coast.

New Faces on Staff At The School Here

Two More Teachers Required Will Fill Vacancy— Building Begun

There will probably be three new faces among the teachers on the staff at Sierra Madre's new school when the bells ring in September. When it meets on Monday to award further contracts for construction of the building it is expected that the board of trustees will formally create and fill two new positions and elect a successor to Mrs. Layton Stanton, teacher in 5-A grade, whose resignation became effective with the close of the school year.

Ellen Coil Barker, for seven years city nurse, tendered her resignation to City Council this week to accept a position proffered by the school board. She will be school nurse and will conduct hygiene and corrective physical education classes.

The remainder of the teaching staff will not be changed, it is said. The teachers to be re-appointed are Miss Mary Pfahler, Special Music; Miss Florence Lusted, Art; Miss Constance Thompson, Miss Doris Marie Bayard, Kindergarten; and the following elementary grade instructors: Mrs. Mary Shepherd Wheeler, Mrs. Zayda Fish Leonard, Mrs. Eva D. Moore, Mrs. May S. Wood, Mrs. Yerdia Appleby Adams, Miss Helen Wade Wones, Miss Florence Claire Newman, Miss Mabel Linda Richter, Miss Ruth R. Taylor and Miss Gladys Vera Ballard.

The Parent-Teachers Association, although its work is done for the current year, will meet in a few weeks to choose a new head for the association to take the place of Mrs. William H. Butts, outgoing president. Excavations for the new school plant have been completed and the cement foundations will all be poured by the first of next week. Within a few days construction on the walls will begin.

LOCAL BOY IS ELECTED BASILYARCHON OF THE AEROPAGITES—GET IT?

Charlton Schwartz, of this city, has just been elected Basilarchon. Another youth, the head of it all, is the Eponyarchon. Still another is the Tedarchon and a fourth is known as Eparchon.

No, gentle reader, these are neither typographical errors nor harsh names. They are Greek to us and besides that they are the titles of the officers of The Aeropagites, a social organization of students at Pasadena Junior College. The society was named after a famous old Greek civic body, the Council of the Aeropagus.

P. E. ADDS NEW TRAIN AND MAKES CHANGE IN LOCAL SCHEDULE

An extra train during the afternoon hours will be added to the Pacific Electric schedule beginning today, announcement from the railway headquarters advises.

This train will leave Los Angeles station of the Pacific Electric at 4:40 P. M. and will be routed direct through to Mt. Wilson Trail. Its addition to the schedule will provide better connections for daily commuters from Los Angeles whose work is finished at 4:30. Previously there was no train scheduled between 4:05 and 5:05 P. M. This new train will not be operated on Saturdays and Sundays.

In order to correlate schedules the announcement from the Pacific Electric made known a few changes in leaving time of existing trains. Beginning today train due to leave Los Angeles at 7 A. M. will leave instead at 6:55 A. M. Train previously leaving Mt. Wilson at 8:00 A. M. will leave at 7:59 A. M., while the afternoon train leaving Mt. Wilson Trail at 5:09 will leave at 5:08 P. M.

New Sources of Revenue Will Come to Sierra Madre Through Its Boulevard

City Has the Ability to Charm and Is Bound to Grow As
Main Artery Enters Says Man who Looked Forward
and Improved Downtown District

By Charles S. Kersting
FOUNDER OF SIERRA MADRE'S BANK

In 1903, I passed through Sierra Madre and was so impressed by the natural beauty of the location that I established my home and was a resident for many years. I know many others who came here under exactly the same circumstances. Many others will come in the same way.

Sierra Madre has this ability to charm at first sight, and with Central Avenue Project to open a new gateway for visitors along the lovely route through the Hasting's ranch, this city should gain a very great deal. It is my opinion that, after this step in progress has been made, the census in 1940 will find our population increased by at least 100 per cent. It is a situation parallel to that existing when the Pacific Electric line was extended into Sierra Madre in 1906, and the benefit of that will continue to be felt for many years. The foresight of the Central Avenue Planning Commission provides a like consideration for our successors.

This improvement is bound to do for Sierra Madre what an extensive advertising campaign does for a little known product, Sierra Madre will no longer be indefinitely referred to as "that little town north of Foothill Boulevard."

It will be recognized by a larger public than ever before as a possible location for homes. Newcomers will be quick to see the advantage of the shortcut in time and mileage into Los Angeles.

This increase in population will bring a corresponding rise in land values, a very desirable reaction. Location on a main thoroughfare will be appreciated by our merchants as well. Passing motorists will bring a new source of revenue, and the improved condition will be reflected in the whole community.

It is difficult to conceive what great improvements are in store for this garden spot. We, who have seen Sierra Madre grow to its present size with its natural endowments alone, are anxious to see what will be brought about with the aid of modern improvements and a closer contact with the world. I am not one of those who believe that we will sacrifice any of the city's loveliness or its individuality.

Little Change in Present Brand of Weather Expected

"We have clear sailing ahead as far as the week-end is concerned. There will not be much change from the almost ideal weather conditions of the past few days."

Col. Hersey glanced only casually at the calm blue sky outside the Sierra Madre weather tower and concluded, "Yes, we'll have fair weather and moderate temperature tomorrow and Sunday."

Two Methods To Correct A Great Evil

Mattoon Would Strike At Special Assessments by An Inquiry

By ELWOOD SQUIRES
(Staff Correspondent)
SACRAMENTO, June 27. (UP)—Evils of special assessments in California cities have attracted the attention of Everett W. Mattoon, of Los Angeles, the man who sponsored the act through the 1925 Legislature under which all such levies are made.

A total general property tax of \$83,112 was paid in Sierra Madre in 1929, with \$559 special assessment taxes levied in addition, a recent survey showed.

"Special improvement acts are absolutely necessary to achieve real estate and industrial growth," Mattoon declared, "but the abuse which has been made of these proceedings in some localities must convince us that safeguards should be placed upon their use so that private property and its free use and sale be not strangled."

In some California cities, Mattoon pointed out, special assessment taxes are four and five times the total of the general property tax.

Two major correctives are proposed by Mattoon to guard against folly of lavish, extravagant and ill-advised special assessments:

1. Some limitation upon power to levy special assessments, which will prevent present overburdening of private property and restrict use of assessments to necessary cases.
2. A commission or some official body should be required to carefully investigate, analyze and report upon every proposed proceeding before the initial step is taken, so that definite facts and figures are available upon which to determine whether or not the proposed project is justified by public necessity and its cost commensurate with ability of the property in the district to pay therefor.

High Cost of Government Gives Alarm

Kiwanis Hears How State- Wide Organization Would Get Economics

Methods it is proposed to employ in combatting the alarming increase in the cost of government in California were explained in an interesting address to the Sierra Madre Kiwanis Club at its Tuesday luncheon by F. A. Baughan, of Inglewood, secretary of the Los Angeles County Citizens Committee.

"The committee," he said, "is backed by chambers of commerce, service clubs and city councils throughout the State and its purpose is to secure the adoption of policies that will reduce the cost of government."

"The State constitution, by very reason of its age, is in many respects out of date. We have much duplication of county and city jurisdiction, with resulting loss of efficiency and injustice to taxpayers. Under the borough system used in New York City, a central means of control is obtained through granting the city a municipal corporate power acting independently of any other power."

Harvey Steinberger was chairman of the day and introduced the speaker of the day, William J. Lawless was song leader.

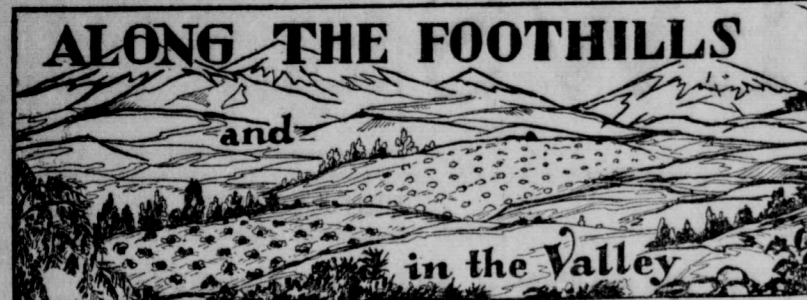

Joining with the 1,862 Kiwanis clubs all over the United States and Canada in a simultaneous meeting, the Sierra Madre club will hold a Ladies' Night at the home of W. J. Lawless, at 506 West Grandview avenue, next Monday at 5:30 P. M. The message to all the clubs by Horace W. McDavid, of Decatur, Ill., will be heard at the local gathering over station KHJ.

The local club will follow the schedule which every club will observe. A moment of silent fellowship will be observed at 5:30 P. M. Following the singing of the first verse of "America" and "God Save the King," at 5:36 P. M., the message from the international president will come over the air at 5:49 P. M. The singing of the Fellowship Song, "Onward in Kiwanis," will close the part of the ceremony to be shared by the clubs all over the country.

Dinner will be served at the Sierra Madre meeting at 6:30 P. M. and cards will follow in the evening.

CENSUS SHOWS FEW HERE ARE UNEMPLOYED

The final census announcement to come from the supervisor of this district fixes the number unemployed in Sierra Madre at 58.

South Pasadena's public library is being moved to a new site in the public park and is to be enlarged.

Gov. C. C. Young will deliver addresses next Friday afternoon at Covina and Arcadia during the Independence Day celebrations in these cities.

Police sergeant F. C. and Mrs. McKinney, of Alhambra, have just celebrated their golden wedding anniversary; they were married in Steubenville, Ohio.

Excavation work for the plunge in the new county park at Baldwin Park has been started and the water district is laying a pipeline to supply the pool.

Monterey Park city council has decided to improve Garvey avenue from New avenue to Monterey Pass road, it being understood that Alhambra and Wilmar authorities will continue the improvement.

Puente Valley's new Rowland Union High School held completion exercises this week with H. S. Upjohn, County Superintendent of Schools, as principal speaker. The plant has cost \$70,000.

While Wilmar voters were defeating a proposition to form a fire protection district last Tuesday, a five-room structure was completely destroyed by flames. The proposition lost by 14 votes.

Old dilapidated buildings on Ross field, Arcadia, will not be torn down for at least two years. Utilization of them by the Olympic Games committee has caused the commander of the Ninth corps area to order them unmolested.

The crop of youngberries in and about Chino is so big and the price offered by canneries so small that the growers are permitting citizens to pick what they want for almost nothing at all, figuring that the price offered by canneries does not pay for the cost of picking.

Pasadena has called off all conferences with Santa Fe officials in the plan to eliminate the 42 grade crossings in that city. City Manager Orbison says the city is unable to put up the \$10,000,000 that would be the city's cost of the undertaking and he is sure that the people would not vote the \$3,000,000 necessary to begin the work.

Pasadena's tax rate for 1930-31 cannot be fixed until after the municipal budget is completed August 22, but an indicated increase of \$1,500,000 in the Crown City's assessed valuation gives promise that the levy will not exceed that for the current year, \$1.24 per \$100. City Manager Orbison anticipates that the valuation subject to taxation will amount to \$185,000,000 and that it would have considerably exceeded this amount except for the biennial reduction of 2½ per cent on buildings that have been in existence for five years or more.

NOTICE OF COMMISSIONER'S SALE ON FORECLOSURE

NO. 238118
In the Superior Court of the State of California in and for the County of Los Angeles.

J. FRANK WILSON
Plaintiff,

vs.
"ARTHUR" N. COLE, et al
Defendants.

Under and by virtue of an order of sale and decree of foreclosure and sale, issued out of the Superior Court of the State of California, in and for the County of Los Angeles, on the 11th day of June, 1930, in the above entitled action, wherein the above named plaintiff obtained judgment and decree of foreclosure and sale against "ARTHUR" N. COLE and EDITH A. COLE, his wife, and JAMES M. NEWPORT and MABEL D. NEWPORT, his wife, Defendants, on the 19th day of June, 1930, for the sum of Eleven Hundred Eighty-one Dollars and 65 cents (\$1,181.85) gold coin of the United States, plus interest and costs, which said judgment and decree was on the 10th day of June, 1930, entered and recorded in Judgment Book 722, at Page 15 et seq. (to which judgment and decree reference is hereby made), I am commanded to sell at public auction all the following described premises, situate, lying and being in County of Los Angeles, State of California, and bounded and described as follows, to-wit:

The North fifty (50) feet of the South four hundred two (402) feet, except the West eighty-eight and sixty-three hundredths (88.63) feet thereof, of lot twenty-five (25) in block "A" of Tract Number Seventeen Hundred Three (1703) as per map recorded in Book 22, Pages 14 and 15 of Maps, in the office of the County Recorder of said County.

PUBLIC NOTICE IS HEREBY GIVEN that on Tuesday, the 15th day of July, 1930, at 12 o'clock noon of that day in front of the Court House door of the County of Los Angeles, Broadway entrance, I will, in obedience to said order of sale and decree of foreclosure and sale, sell the above described property, or so much thereof as may be necessary to satisfy said judgment with interest and costs and expenses of sale, to the highest and best bidder for cash, gold coin of the United States.

Dated June 11, 1930.

R. E. ALLEN,
Commissioner appointed by said Superior Court.

LINCOLN G. BACKUS,
134 S. Myrtle,
Monrovia, Calif.
Attorney for Plaintiff.

A big street dance will inaugurate the new street lighting system in Temple City on the evening of July 3.

Nine votes was the margin of the latest defeat of the La Canada school improvement bond issue.

Covina was host to the Knights of Pythias from over the State last Saturday. The occasion was the annual reunion.

Enrollment at Citrus Union High School and Junior College, in Glendora, has increased 149 per cent since 1920. The enrollment is now 565, as against 227 ten years ago.

Featured by speeches by the mayor, president of the chamber of commerce and president of the baseball commission, the Upland twilight baseball league opened with a record crowd attending.

Plans are being made in Tujunga for the presentation of four plays by John Steven McGroarty, famous author of the "Mission Play," in the new city park named after the author and playwright who is the town's leading citizen.

A hearty hydrangea plant bearing 711 blooms is the property of William May of Upland. Branches shoot high in the air and far out to the sides giving the plant an appearance unrivaled by any in the community and causing many motorists to stop and admire it.

NOTICE OF COMMISSIONER'S SALE ON FORECLOSURE

NO. 238393
In the Superior Court of the State of California, in and for the County of Los Angeles.

WILLIAM SCHUBERT
Plaintiff,

vs.
WILLIAM C. FULLER, et al.
Defendants.

Under and by virtue of an order of sale and decree of foreclosure and sale, issued out of the Superior Court of the State of California, in and for the County of Los Angeles, on the 29th day of May, 1930, in the above entitled action, wherein the above named plaintiff obtained judgment and decree of foreclosure and sale against WILLIAM C. FULLER, as Administrator of the Estate of Judson F. Fuller, deceased, Defendant, on the 26th day of May, 1930, for the sum of Thirty-nine Hundred Ten Dollars and 18 cents (\$3,910.18) gold coin of the United States, plus interest and costs, which said judgment and decree was on the 27th day of May, 1930, entered and recorded in Judgment Book 721 at Page 138 et seq. (to which judgment and decree reference is hereby made), I am commanded to sell at public auction all the following described premises, situate, lying and being in Pasadena, County of Los Angeles, State of California, and bounded and described as follows, to-wit:

The West Forty-five (45) Feet of Lot Five (5) and Six (6), and all of Lot Eighteen (18) of Cable Road Tract, as per map recorded in Book 12, Page 41 Miscellaneous Records of said County.

PUBLIC NOTICE IS HEREBY GIVEN that on Tuesday, the 1st day of July, 1930, at 12 o'clock noon of that day, in front of the Court House door of the County of Los Angeles, Broadway entrance, I will, in obedience to said order of sale and decree of foreclosure and sale, sell the above described property, or so much thereof as may be necessary to satisfy said judgment with interest and costs and expenses of sale, to the highest and best bidder for cash, gold coin of the United States.

Dated May 29, 1930.

R. E. ALLEN,
Commissioner appointed by said Superior Court.

FRANK C. DUNHAM,
City Nat'l Bank Bldg.,
Pasadena, Calif.
Attorney for Plaintiff.

Schedule Calls For Stiff Pace by The Tennis Talent

Competition in the tennis tournament to begin on Sunday, July 6, will be keener than in any past tournament, according to Emile Smith, President of the Sierra Madre Tennis Club, who met with members of the club on Monday night to complete plans for the coming year's activity of the organization.

The reason for the stiff competition expected in the coming tournament is the determination of less favored players to turn back the bid of last year's winners, who will attempt to make the trophy cups their permanent possessions by winning them a second time from the open field.

All of the events in the tournament with the exception of the men's singles and doubles will be decided by two out of three sets. These two matches will go to three out of five sets and it is expected that the closeness of the competition will require the full five sets to settle the question of supremacy among the men.

Entries will be taken by President Emile Smith at the postoffice and the last day for getting them in will be Saturday, July 5. The entry fee for old members will be 50 cents and for new members \$1.50. The junior fee will be 25 cents.

Last year's tournament prize cups will be on display in the window of Fraiberg's Jewelry Store within a few days.

Some of the strongest players who are expected to enter the tournament are Randolph Wood, Preston Schwartz, Les Miller, Wolfgang Reitherman, Homer Tuttle, Henry Draman, Louis Fuller, George Udell and Don Blanke. In the doubles last year's champions, Schwartz and Miller, will be given strong competition by such combinations as Reitherman and Adams, Blanke and Graham, and Morgan and Chamberlain.

NOT A BAD SIGN

Additional evidence that California is the "white spot" of America in business was given in figures released today by the Division of Motor Vehicles showing that motor vehicle registrations in the State gained more than six per cent during the first five months of 1930 over the same period for the previous year. The net gain in vehicles was 110,828.

A-1 designing, workmanship and materials with prices that are right—that is NEWS printing.

Cut Travel Costs 50 to 70%
By Riding The Big Red Cars
... Gain other advantages too!

THOUSANDS of practical men and women have learned that they can SAVE from 50 to 70 cents on every transportation dollar by riding the Big Red Cars to town.

To the users of the Monthly Pass and Commutation ticket, this care-free, comfortable method costs only a fraction above ONE CENT per mile! Figure your own saving. It will surprise you! Yet this great economy is only one of the Big Red Car advantages.

A trained man drives you swiftly and safely to your destination...you are free from the nerve strain of traffic worries. Here is extra leisure...to read, relax or plan the day's activities.

Schedules are carefully arranged to suit your needs. Try the Big Red Cars next time you go to town.

Prove these advantages...see how you'll gain in comfort and economy. Just phone local agent for further information.

PASTOR DINES WITH HIS OLD CLASSMATES

Rev. Arthur O. Pritchard, on a three months' vacation in the East, was one of the after-dinner speakers at the 30th annual reunion of the class of 1900 of Brown University held a week ago tonight at the Plimpton House in Watch Hill, Rhode Island.

Fifty members of this class were present at this, the thirtieth reunion of the class. The entire week-end was given over to the activities of the graduate of 30 years ago.

IOWA READY FOR REUNION

The Iowa Association of Southern California has begun plans to make the annual summer event in Bixby Park, Long Beach, "Iowa's Western Capitol," the best ever. It will be pulled off Saturday, August 9, with all the usual attractions and several special doings.

William E. Goff recently made a trip to Indianapolis via Western Air Express. His time between here and Kansas City was only twelve hours.

BRILLIANT CLOSE OF SOCIAL SEASON AT THE WOMAN'S CLUB AS NEW OFFICERS ARE INSTALLED

MISS LAURA E. CADMUS

NEW officers and board members of the Woman's Club were installed Wednesday afternoon at the organization's last meeting of the season. The installing officer was Mrs. John H. Robertson, the retiring president who, with four other retiring board members, will serve again this club year in different capacities.

Following a gracious speech of acknowledgment to members and officers for cooperation during the past year, Mrs. Robertson introduced Mrs. E. E. Bacon, the new president, and in presenting her with the gavel extended her best wishes for the success of the coming administration. In her response Mrs. Bacon declared that the club is not made by the president but by individual members who will be called upon during the year for assistance.

Officers installed were: Mrs. Bacon, president; Miss Laura E. Cadmus, first vice-president; Mrs. A. A. Halsey, second vice-president; Mrs. Frederic S. Ackley, recording secretary; Mrs. John H. Robertson, corresponding secretary; Mrs. William R. Lees, treasurer; and Mrs. M. R. McBurney, auditor. Elective board members installed were Mrs. R. S. Corlett, Mrs. John H. Osgood, Mrs. William Middough and Mrs. Waverly E. Pratt. Presidents' appointees to the board, also installed, were Mrs. Woodson F. Jones, Mrs. H. B. Hersey, Mrs. Elmer A. Green and Mrs. Emilie E. Smith.

Corsages of sweet peas and maidenhair ferns were presented by the retiring president to the new senior president and to Mrs. Emilie E. Smith, president of the Juniors. Mrs. J. M. Campbell, Federation secretary, was given a corsage bouquet in acknowledgment of her 100 per cent attendance at club meetings. A federation pin was presented by Mrs. Robertson to Mrs. Lee in appreciation of her services to the club.

Mrs. Walter Poehler, chairman of the Philanthropy Committee, announced \$39 in the treasury to be given Miss Elizabeth Steinberger, school principal, for work of undernourished children.

A gift of \$100 was made by Mrs. Fred Griebenow to the Juniors scholarship fund in memory of her sister, Mrs. Lila B. Kendall, grammar school teacher here who lost her life last year on the ill-fated San Juan.

A rising vote or thanks was given Mrs. Robertson for her efficient year's services as president, following which a surprise program was presented in which clever dance interpretations of "On the Boulevard" and "Oscar Rasbach's 'Trees'" by Mme. de Beaulieu were enthusiastically received.

Robert Thomas, fourteen year old Long Beach boy, and nephew of Mrs. Waverly Pratt, who possesses an unusually deep baritone voice of pleasing quality, sang "Asleep in the Deep," "On the

Road to Mandalay" and "Mother Machree." The artists were accompanied at the piano by Miss Marion Solury.

Tea, served by Mrs. Robertson in the club garden to the incoming president and her board, was a fitting end to the year's festivities. She was assisted by the Junior president, Mrs. Smith, and Ruth Klunk, Irene Middough, Mary Davis and Angeline Per Lee, members of the junior organization. Tea tables, set on the lawn, were artistic with flowers of pastel shades and wide ribbon bows.

MRS. LAWLESS INVITES THE CLUB—

Mrs. W. J. Lawless invites all women interested to a tea at her home next Wednesday afternoon, July 2, at 2:30 o'clock.

Mrs. W. W. Green, junior past president of the California Federation of Women's Clubs, will present the subject of "Legislation Under Three Governors" and Assemblywomen Eleanor Miller will discuss "California Welfare Legislation."

Mrs. Frank J. Hart, Mrs. Wilbur F. Thayer, Sr., and Mrs. A. F. Enell will be assisting hostesses.

MRS. DICKSON TELLS OF ASSOCIATIONS—

The Book Review Section met last Tuesday in the garden of the chairman, Mrs. John H. Osgood, 617 West Montecito avenue.

Mrs. O. B. Manchester presented her monthly "Book Talk" for the last time this season to thirty members. Selections from "Green Pastures," the Pulitzer prize play, were read by her and books were recommended for summer reading.

An interesting paper on incidents of her girlhood and associations with famous persons in Concord, Massachusetts, was read by Mrs. J. C. Dickson. Tea was served at the close of the session by the hostess.

HUSBANDS' NIGHT COMPLETE SUCCESS—

Husbands' night, observed last Tuesday night in the Osgood Room of the clubhouse and which marked one of the last of the club's social events this season, was pronounced a complete success by all present. Bridge and 500 furnished the evening's diversion in which John H. Robertson won first prize for the gentlemen and Charles Klunk, second. Prizes for the ladies went to Mrs. John H. Osgood, Mrs. M. D. Welscher and Mrs. F. L. C. Roess. Mrs. Roess was in charge.

Chess Fans of 28 Cities Gather Here

Inauguration of Annual Valley Tournament Is Huge Success

Twenty-eight Southern California cities were represented among the players who attended the first annual San Gabriel Valley Morphy Day Chess Carnival here last Saturday. Just 128 players actually participated and 200 more interested fans came to look on. Several players also came down from San Jose and Oakland and there were inquiries from San Francisco, Marysville and Visalia. Viewed from every angle promoters of the annual tournament idea and of a closer association among the players of the valley considered, the Sierra Madre opening event as a distinct success. It was featured by many interesting games, exhibitions and several instructive lectures.

Sierra Madre did herself proud as host to the visitors, turning City Park and the park house into a picnic headquarters during the afternoon and evening and providing the Masonic Temple for the actual playing of the games.

The feature match of the day between Orange County and the Pasadena Chess Club resulted in a close victory for the former, the score being 6-1-2 to 5-1-2.

Robert Engle and John Taylor of Altadena, each 13 years old, the youngest players in the tournament, played a match with the former winning three out of four games.

The evening simultaneous play which proved an absorbing part of the program was conducted by G. S. G. Patterson, Los Angeles County champion. Playing 42 games at one time, he won 31, drew 10 and lost one.

The players' earnings draws with Patterson were E. H. Doty of Monterey Park, W. L. Koethen of Riverside, George W. Sullinger of San Gabriel, T. Thomas of Santa Monica, P. O. Lieberg and E. L. Calkin of Pasadena, Richard Alderson, J. G. Cooke and Simon Spero of Los Angeles. One Sierra Madre player, Ward B. Harrington, held Patterson to a draw. The only player to win a game from him was Guy King of Glendale.

Irving Spero, former champion of Ohio, played blindfold against three players, beating K. D. Langworthy of this city, and H. D. Rader of San Gabriel, and drawing with Floyd L. Keith of Monrovia, formerly of Sierra Madre. The last of the afternoon events was an interesting lecture

LOCAL BOY SCOUTS WILL LEAVE FOR CAMP

A number of local Boy Scouts will attend Cherry Valley Camp on Catalina Island following the Court of Honor scheduled for the Congregational Church this evening.

by Harry Borochow, of Beverly Hills, on one of Morphy's best games. Borochow, the correspondence chess champion of North America, played 18 simultaneous games during the afternoon and won all of them.

During the evening Cliff Sherwood, chess editor of the Los Angeles Times, conducted simultaneous play for women. The ladies entering this contest were Mrs. E. J. Gibson of San Gabriel, Miss E. Louis Jolly of San Jose, Mrs. Florence Moody of Riverside, Mrs. Elizabeth Messier and Mrs. F. L. Hornel of Hollywood, Mrs. M. L. Hinchman and Mrs. J. C. Hillman of Pasadena, Mrs. Alice Sedgman and Miss Olive Sedgman of this city.

Sherwood was too chivalrous to disclose the results of the contest but admitted that Mrs. Alice Sedgman, secretary of the Sierra Madre Chess Club, had won her game.

A number of good games were recorded and the brilliancy prize, "Morphy's Games," by Sergeant, will be awarded some time next week.

A meeting of the local chess club will be held tomorrow afternoon in the Park House. Lindsay H. Heath, local player who took second place in the recent Pasadena tournament, will address the members of the club and plans for a San Gabriel tournament will be discussed.

EARL MOYER'S POSIES TAKE DOWN MORE PRIZES

Earl Moyer of this city, prize-winner in last week's gladiola show at the Biltmore hotel, won two blue ribbons in the Pacific Electric Show held in the ballroom of the Pacific Electric Club on Friday and Saturday, June 20 and 21. His two winning entries were matilija poppies and carnations.

Besides carrying off a share of the prizes, Moyer was manager of the show. Eight hundred people visited the show in two days and it was declared one of the best amateur efforts ever to be made in this line.

Favorite Dishes of Sierra Madreans

EACH and mountain picnics, motor tours and the demand for light, easily prepared lunches at home during the hot weather all suggest salads and the ever popular sandwich. Those offered here are favorites with Sierra Madre women and are quickly gotten together from the emergency kit.

California's staple, the ripe olive, is the basis for Mrs. J. H. Wright's "Olive Sandwich." Here is the recipe:
Cut fine or grind quart of ripe olives; rub into a paste two hard-boiled egg yolks with two tablespoonsful cream. Mix olives, paste and one half pint mayonnaise. Season with paprika, salt or celery salt. Spread between thin slices of bread.

A "Cherry Red Sandwich Filling" by Mrs. George Lehner may be used either as a sandwich filling or served with meats and may be made in quantities ready for use at any time. This is the recipe:
Grind 12 large red, ripe sweet peppers, add three cups sugar that have boiled five minutes with two cups white vinegar. Simmer till thick. Store in glasses under paraffin. Mix with cheese for sandwich filling, or serve with meats without cheese.

INVESTORS WARNED AGAINST FAKE FORD FOREIGN COMPANIES

A warning against fraudulent brokers who are offering stock in foreign Ford motor companies was issued today by the Better Business Bureau of Detroit.

Relying on the goodwill and integrity of the Ford name, thousands of persons throughout the country have purchased stocks which either turned out to be spurious or were not delivered at all, the warning said. There is no way of estimating the financial loss involved.

"There are a number of fraudulent concerns in various parts of the country that represent themselves as brokerage houses and that offer stocks in various foreign Ford companies," the statement from the Better Business Bureau said, and added: "Our warning is directed solely against the fraudulent concerns that carry on their fleecing of the public under the guise of reputable concerns. Anyone contemplating the purchase of stocks should first consult his local Better Business Bureau."

CANARIES OR OTHER BIRDS MAY RIDE IN COACHES NOW

"Dickie," the pet canary, should add a new thrill to his song when he hears about this: The Southern Pacific Company announced today that canaries and other small, inoffensive birds will be permitted in coaches, chair cars and Pullmans when traveling with their owners.

Which means that feathered songsters are to be considered part of the passenger's personal baggage, and as such will be able to escape a lonesome ride in the baggage car, according to E. W. Clapp, general passenger traffic manager for the railroad.

H. J. Buckingham - - June 26
S. R. G. Twycross - - June 26

evident during May," it continues, "moderate improvements over April in certain components of the business structure being neutralized by compensating declines in other phases of activity."

"There were increases in the value of building permits issued, construction contracts awarded, and cement output. The volume of trade declined during May and was below the level of the corresponding month of 1929 by a greater amount than in any other month thus far this year. Wholesale commodity prices moved irregularly downward during most of May and widespread declines in quotations were recorded during the first half of June. There was some evidence that retail prices also tended downward."

HAVE YOU SEEN THEM?

That excitement you heard in our Toilet Goods Department was caused by the arrival of the new DOROTHY GRAY face powder, and we can't blame the girls, really. The blue and silver boxes are just about the loveliest we've seen, and the shades... well, you'll have to see them for yourself!

This light and clinging, delicately scented powder is a joy to use. It costs \$1.50.

This is a Moisture-Proof Powder specially adapted to warm weather.

Along the Paths of Yesterday

A History of Sierra Madre from the files of The NEWS.

FRIDAY, JUNE 21, 1907—

Without counters or bank fixtures of any kind, the Sierra Madre National Bank opened last Monday immediately upon telegraphic information that its charter had been issued in Sacramento. Alfred Cooper was the first president; C. S. Kersting, second vice-president; A. D. Hawks, third vice-president; and H. G. Flint, cashier.

Five boys and two girls constituted the graduating class of the Sierra Madre school. They were Marjorie Rice, Anna Jansson, Harold Costello, Fred Hatfield, Irving McDaniels, Ralph Ardwarner and Edward Melvin.

FRIDAY, JUNE 23, 1911—

The local building inspector and the lumber yards agree that there is more building activity now than at any time within recent years. Enforcement of the ordinance against burro corrals on Mt. Trail avenue causes the want ads of THE NEWS to be filled with advertisements of burros for sale, some of them at ridiculously low prices.

FRIDAY, JUNE 23, 1916—

Property owners are up in arms against the burning and destruction of fruit and other trees and shrubs in the city's campaign to rid local lots and gardens of the fire hazard.

Miss Garnet Williams and Frank Hildebrandt were quietly married last Saturday afternoon. Bugle calls were heard in the city yesterday when recruiting officers came to recruit for the militia, and to send men to concentration camps. M. A. DeTemple, Eldred Yule and Al Sten-

zel enlisted as members of Troop B of the cavalry.

FRIDAY, JUNE 24, 1921—

The newly organized Firemen's Club adopted by-laws and a resolution pledging itself to protect the city from the fire menace. Cards announcing the betrothal of Miss Helen Sadler to Dr. George Jacob Starr are out. The wedding is set for July 14.

FRIDAY, JUNE 24, 1927—

Miss Marguerite Fern DeTemple of this city, and Elvin Charles Parker of Los Angeles, were married in the Church of the Ascension, Wednesday at noon. The building committee of the Congregational Church has approved plans for the new church building and engaged an architect.

RED CROSS PLANS WILL MAKE VACATION SAFER

Summer vacations will be safer for the boys and girls of Sierra Madre because of the "learn-to-swim-in-safety" campaign to be conducted under the auspices of the local Red Cross chapter from July 14 to July 19. Not only will the young people learn how to take care of themselves in the water, but they will learn what to do for a fellow-swimmer in distress. This announcement was made today by W. R. Humphries of the chapter here, who is busily at work upon the details of the campaign.

"Once a person learns to swim, he never forgets," said Humphries, "but the Red Cross has an excellent idea in not only offering to teach those who do not know how, but to help those who already are fairly good swimmers to learn to handle themselves better and thus some day possibly save a life. Proper training makes every swimmer a potential

life-saver. That training the Red Cross is prepared to give to children and adults in Sierra Madre without charge."

The local chapter is paying the expenses of a qualified instructor, who will be furnished by the Pacific headquarters of the Red Cross in San Francisco. Classes will be held at Canyon Pool. A

Mrs. W. E. Goff, her son M. B. Goff, and B. J. Goff of this city, went with Mrs. O. J. Coster over last week-end to her cabin at Arrowbear near Arrowhead and Big Bear Lake.

schedule giving exact hours of instruction will be announced later.

Canyon Park Notes

THE ninetyth birthday anniversary of Mrs. Vernon Smith of Long Beach was celebrated with a motor trip and a picnic luncheon at Canyon Park last Saturday, given by Miss Margaret Boyd of Long Beach. Other guests in the party were Mrs. A. K. Rice, Mrs. K. Boyd and Miss S. Gertrude Johnstone. They were visitors of Mrs. Ella A. Cadmus.

Judge William R. Lasater, Mrs. L. S. High, Leona High, Mrs. S. Petzel, Lorraine Petzel and Evelyn Olsen of this city spent Sunday in Tujunga Canyon at the cabin of Mrs. George Kostelecky of Hollywood, sister of Mr. Petzel. There were 23 in the party who enjoyed a picnic luncheon at noon and pleasant hiking about the canyon.

Miss Gwendolyn Kile of Long Beach, niece of Mr. and Mrs. S. Petzel, is a house guest at the Petzel home on Sturtevant drive.

Mrs. Elizabeth Stratman, of Hermosa Beach, has sold her three apartments on Woodland drive to Mr. and Mrs. Poth of Hawthorne. The new owners assumed possession on Saturday.

Mrs. C. F. Van de Water, her sons, John and Charles Van de Water and Miss Martha Miller of Long Beach, have rented "Seldom Inn" cottage, 607 Woodland drive, for a week.

Mr. and Mrs. T. A. Gould and daughter, of Redondo Beach, enjoyed a brief vacation at their cottage "Brookside" from Thursday until Saturday.

Adolf Tandler, musical director of United Artists and Teco Art Studio and Mrs. Antoinette Fredrikson, cellist, of Los Angeles, were Canyon Park visitors on Tuesday.

Tale of Many Loves Told "In Gay Madrid"

Dorothy Jordan, a newcomer to motion pictures, is Ramon Navarro's leading lady for the second consecutive time in "In Gay Madrid," his new all-talking and singing picture which will be shown at the Fox Colorado Theatre, Pasadena, for a week starting last night.

Recruited to films from the New York stage, Miss Jordan made an instant hit and was signed by Metro-Goldwyn-Mayer who first cast her opposite Navarro in "Devil May Care," in which he made his talking debut.

Robert Z. Leonard directed the new Navarro picture with Lotte Howell, Beryl Mercer, William V. Wong and Claude King in supporting roles.

"In Gay Madrid" is an adaptation of the Spanish classic, "La Casa de la Troya," written by Alejandro Perez Lugin, and concerns the son of a marquis and his love adventures which he regrets when he falls in love with a university girl.

Fanchon and Marco will present their glorious "Victor Herbert" Idea, featuring the Victor Herbert Quartette in many beautiful song numbers. The Fox Colorado Band accompanies and Fox Movietone News presents world events.

SIERRA MADRE APPEALING; FORMER RESIDENTS RETURN

Mrs. Mildred Croxson, owner of the property located at 689 Alta Vista avenue in this city has returned to Sierra Madre after a two years' stay in San Francisco.

Another property owner, Mrs. Anna V. Eustis of 235 South Baldwin avenue, has come back to Sierra Madre from Boston.

Mrs. A. C. Mueller and children, Jackie and Frances, motored to the Sequoia National Park and the Yosemite, starting Monday morning. Sunday afternoon, Mrs. Mueller entertained twelve young guests in honor of her son's birthday.

Striking Pictures At The Washington

A lineup of pictures sure to please the most exacting fan is scheduled for the coming week at the Washington Theatre, Washington and Lake, Pasadena. Bessie Love, filmdom's newest and best-loved sweetheart, is supported by a large cast in "Chasing Rainbows," coming to the Washington on Sunday and Monday, June 29 and 30. Charles King, Polly Moran, Marie Dressler, George K. Arthur, Jack Benny and Gwen Lee make up the cast.

A picture full of action and romance is "Under a Texas Moon," scheduled for this theatre on Tuesday, Wednesday and Thursday, July 1, 2 and 3. The sterling cast includes Frank Fay, Raquel Torres, Noah Berry, Myrna Loy, Fred Kohler and Tully Marshall.

Independence Day, July 4, will be celebrated at the Washington Theatre with Zane Grey's "The Light of Western Stars," with Richard Arlen, Mary Brian and Harry Green. This picture will also be shown on Sunday, July 5.

New County Budget Million and Half Higher Than 1929

The Board of Supervisors fixed the county budget for the fiscal year 1930-31 at \$49,278,449, which is \$1,456,538 more than last year. The probable tax for county purposes has not been settled, the assessment roll not having been completed. The increase is said to be due to added districts and to increased costs for flood control.

While the figures show an increase there is added revenue in the sum of \$1,732,470 from sources other than taxes. Among the outstanding increases in the budget are \$565,420 for the County Farm, \$714,185 for the General Hospital, \$110,000 for insurance, \$210,000 for leasing of land, \$164,187 for the mechanical department, and \$225,000 for pensions.

All Stage Stars in New Shearer Show

Perhaps the only 100 per cent stage supporting cast assembled for a motion picture appears with Norma Shearer in "The Divorcee," her new Metro-Goldwyn-Mayer talking picture which will be shown for a week beginning tonight at the Fox Strand Theatre, Pasadena.

Chester Morris, one of the most popular figures on the Broadway stage before coming into pictures, plays opposite the star. Robert Montgomery, who plays

the role of the lover, was brought from the stage to make his movie debut in "So This Is College" and recently played opposite Miss Shearer in "Their Own Desire." Conrad Nagel has an extensive stage background.

Miss Shearer, contrary to general belief because of her splendid reading of dialogue lines, never was on the stage.

insurance, \$210,000 for leasing of land, \$164,187 for the mechanical department, and \$225,000 for pensions.

A-1 designing, workmanship and materials with prices that are right—that is NEWS printing.

Big Attractions Billed By Arcadia

Every week the showings at the Theater Arcadia, under the joint management of Messrs. Miller and Camlin, are of a higher quality. The entertaining lineup for the coming week opens tomorrow with Zane Grey's "Light of the Western Stars," featuring Mary Brian and Richard Arlen.

A picture that has made people hold their sides with laughter all over the country is "The Cuckoos," with madcap Robert Woolsey and comical Bert Wheeler. This production is full of good song numbers, moves fast, and is certain to draw capacity crowds at the Theater Arcadia on Sunday and Monday, June 29 and 30.

A capable actress, Evelyn Brent, appears in a gripping picture, "Framed," at the Arcadia on Tuesday and Wednesday, July 1 and 2. The week ends on Thursday and Friday, June 3 and 4, with "The Swellhead," starring Johnny Walker, one of the favorites. A special feature attraction on the Fourth will be "The Lost Battalion."

The finest in talking pictures for their patrons is the aim of Managers Miller and Camlin, who are able to offer to the San Gabriel Valley the first run on all pictures.

New Chevalier Film Comes to Florence

Maurice Chevalier is a star who took the heart of America by storm. He has a distinct and different personality as refresh-

Lawn Fertilization

Luxuriant Lawns Are Well Fed Lawns

WE ASK a great deal of the tiny plants which must continue their existence under peculiarly difficult conditions. Lawn turf is made up of an infinite number of individual grass plants crowded closely together, permitting to no soil cultivation, withstanding wear and tear, and constant removal of their tops by cutting, making a constant drain upon the soil food.

Just as the success of the merchant depends upon his stock of goods and amount of sales, so does the success of the lawn depend primarily upon its supply and liberation of plant food. Crops are not made out of nothing. They are composed of ten different elements in just the same sense that our human bodies require water, lime, protein, carbohydrates, etc.

Sandy soil is quickly impoverished and if ignored it becomes apparent to every passer-by in terms of stunted growth and weed patches. On such soil entire dependence must be placed upon added plant food in organic form.

It is a mistake to spread weed-laden manures upon the surface of the ground exposed to the sun and air. The ammonia nitrogen escapes, the bacteria perish and the fiber merely mulches the surface.

The ideal lawn fertilizer is composed of an ample amount of slow acting organic nitrogen, for leaf, phosphoric, for root, enabling it to withstand drought, and multiplying its powers to feed, and potash, for vigor, with an inorganic quick starter.

SUCH IS BROWN'S "20-UNIT" LAWN FOOD

Balanced, for Foothill Soil GUARANTEED ANALYSIS (Registration No. 120)

Nitrogen: 1 pct.

The latest telephone census disclosed that there were 32,712,284 instruments in the world. Of these 19,341,285, or 59 per cent, were in the United States.

Airplanes will again be used for scouting fires in the National Forests of California. Contracts have been approved with two commercial airplane transport companies to provide ships for forest fire control work.

Ambition and hard work are not sufficient to make real business leaders. Ninety-nine out of a hundred average business men never become leaders because they are unwilling to pay the penalties that leadership demands, according to Owen D. Young, one of the foremost industrial and financial figures of the day.

Millions of acres of farm land in the United States should be abandoned at once by farmers, both for their own benefit and for the benefit of agriculture in general, according to Secretary of Agriculture Arthur M. Hyde. The land, Secretary Hyde declares, is a detriment to the country, and should preferably be forested. If not, it should be allowed to fallow until the soil has built itself up.

Within four years electric service will be extended to 1,000,000 farms in the United States, according to a study made by the Middle West Utilities Company. During the past eight years the number of farm electric customers reached has been almost as great as the number of all kinds of electric users. Five hundred thousand of the 6,300,000 American farms are now served by 150,000 miles of rural electric lines.

The swing back to femininity and the changing fashions are changing the vocabularies of women, an inquiry conducted by the Country Home reveals. Words that have been out of use during the flapper decade and even some mid-Victorian expressions are being revived, it was found. For nearly ten years women have scorned the use of "pretty," "quaint," "sweet," or "lovely" in describing clothes. Now the words are appearing everywhere in fashion circles. "The language of women has undergone a decided change," one modiste declared. "They now love to have adjectives applied to them that are as far as possible from being masculine."

The ever-increasing tendency of American citizens, even those of small means, to purchase stocks and bonds constitutes "an impregnable bulwark in this country against the much over-rated bugaboo of Russian Bolshevism," in the opinion of Morris S. Tremaine, comptroller of the State of New York.

Since 1905 a transfer tax of two cents a share has been levied on stock in New York State. The revenue from this tax has grown since 1906 from \$6,217,268.40 to an estimated total of \$37,133,804.67 for the fiscal year ending June 30, 1930.

Mr. Tremaine estimates that before the World War there were 300,000 bond buyers in the U. S. whereas today there are 25,000,000 security-holders.

SIERRA MADRE GIRLS GRADUATE AT U.C.L.A.

Sierra Madre has two standard bearers among the 900 graduates of the University of California who wended their way into the Hollywood Bowl on commencement day. They were Beatrice MacPherson Grammel and Gertrude Olive Yerxa.

Beatrice Grammel, the daughter of Mr. and Mrs. B. Grammel of Sturtevant drive, leaves for Europe on a student trip in a few days. The trip is the graduation gift of her parents. At U. C. L. A. she majored in English and will go to the University of Southern California in the fall to earn an advanced degree in the same subject.

Gertrude Yerxa, daughter of Dr. and Mrs. Charles W. Yerxa, 170 South Baldwin avenue, majored in history and will return in the fall as a candidate for an M. A. degree, with the purpose of securing a teacher's certificate.

In a Social Way

MISS Ernestine Hallie Gray, daughter of Mr. and Mrs. E. B. Gray, 81 Victoria lane, whose marriage to John Kemp, of Pasadena, is announced for Sunday, June 29, has been the incentive this week for a number of social events given in her honor.

On Tuesday night Miss Beatrice MacPherson Grammel entertained for Miss Gray with a kitchen shower at the home of her parents, 669 Sturtevant Drive.

The evening was spent in games and preparation of gifts for the honor guest. A treasure hunt in the spacious grounds of the Grammel home revealed many interesting gifts for the new home. Refreshments were served in the dining room from a table centered with a unique figure formed of utensils. Among the guests were Dorothy Lichno, Elsie Lichno, Muriel Tarr, Gertrude Knowles, Beth Manning, Ernestine Manning, Marguerite Lalone, Margaret Butsch, Virginia Roess, Anna Green, Jane Holland and Miss Gray.

Miss Jean Giddings, 1318 East Colorado street, Pasadena, entertained with three tables of bridge at her home Monday night honoring Miss Gray.

Miss Beatrice MacPherson Grammel was first prize winner at cards and Miss Gray won consolation. Among the guests on this occasion were Miss Gray and Miss Grammel from Sierra Madre.

On Thursday of last week Miss Gertrude Knowles entertained for twelve guests at her home, 541 West Live Oak avenue, with a miscellaneous shower complimenting Miss Gray. In a treasure hunt conducted throughout the house and grounds, many lovely gifts were found by the guest of honor. Light refreshments were served by the hostess.

At a private recital at the Woman's Clubhouse Saturday afternoon, piano pupils of Oscar Rasbach, composer-pianist of this city, were presented. Mrs. Rasbach served refreshments to 100 guests after the program. She had baked over a thousand cookies for the occasion.

Mrs. Janet Stevenson Wood, soprano, contributed two groups of songs, dividing honors with Mr. Rasbach in his own compositions, "Gifts" and "Mountains." She also sang "In the Luxembourg Garden" and "The Old Lamp Lighter," which are compositions of Mrs. Kathleen Lockhart Manning, a Sierra Madre girl whose work is attracting wide attention in the East.

Appearing on the program were Caroline Martin, Morise Martin, Arthur Rasmussen, Anita Lippon, Robert Brant, Barbara Jones, William Martin, Jr., Shirley Martin, Sarah Mulock, Lucille Greene, Channing Lipton, Dorothy Dinkler, Mrs. J. A. Hawks, Charlotte Baros, Philip Jones, Jane Imelli, Henry Brill and Madeline Garey.

PRETTY WEDDING FOR BEULAH MAY NOBLE

Gowned in a low cut dress of ivory satin, wearing a bridal veil fastened with a wreath of orange blossoms and carrying a bouquet of Cecil Bruner roses and lilies of the valley, Miss Beulah May Noble became the bride of La Roy Reading Davis, Wednesday evening at seven o'clock, in the Congregational Church. Bernice Erodent, of Wilmington, wearing a bouquet of pink roses, acted as bridesmaid. John Noble, brother of the bride, was the best man. Mary Lou Emily, of Monrovia, was the dainty little flower girl. The platform was tastefully decorated with ferns and greenery by Miss Cynthia Hull, Lester Bodine, Percy Kortkamp, Sr., Percy Kortkamp, Jr., and Harold McCurdy of Los Angeles, acted as ushers.

Before the ceremony, Miss Virginia Roess sang very sweetly, "At Dawning" and "O Promise Me." The wedding march was played by Moreland Kortkamp. Rev. W. H. Urch performed the ceremony. At the reception in the church parlors afterwards, the mother of the bride, Mrs. Joseph Hogan, served refreshments. The bride is well known in Sierra Madre, having been employed by the Sierra Madre Telephone Company for the past five years. The groom is employed by the telephone company at Monrovia. After spending two weeks in the Yosemite, the happy couple will reside at 100 Suffolk.

JOSEPHINE LALONE IS MARRIED—Surrounded by fern and greenery Josephine Lalone and Seth Van Winkle were married Wednesday evening at 8:30 P. M., by the Rev. W. H. Urch, in the presence of enough of their friends to fill the Congregational Church. Miss Virginia Roess sang "At Dawning" and "I Love You Truly." The wedding party marched in slowly to the strains of Lohengrin's Wedding March, played by Mrs. Myrtle G. Hill. The bride wore a gown of white silk and georgette, with a large picture hat. The bridesmaid, Miss Marguerite Lalone, sister of the bride, was gown in pink georgette and wore a pale pink picture hat, carrying a bouquet of sweet peas. The bride's bouquet was of white carnations. Julian Lalone, brother of the bride, was the best man. The happy couple left for Catalina for a few days. They will reside in Los Angeles, where Mr. Van Winkle is employed by the Pacific Electric.

MRS. ROE ENTERTAINS YOUNG PLAYERS—Mrs. William Roe, adviser of the Girl Reserves, entertained on Sunday afternoon at her home the cast of the comic sketch, "The Employment Agency," recently given at the meeting of the 18th District of the American Legion. The afternoon was spent with games, music and dancing. Those present were Rose Kiggins, Thelma Jaeger, Mercedes Schiltz, Edith DeTemple, Bernice Roe, Francis DeTemple, Sadie Kiggins, Marjorie Bergien and Gertrude Kiggins.

NOTICE OF COMMISSIONER'S SALE ON FORECLOSURE. NO. 302253

In the Superior Court of the State of California in and for the County of Los Angeles.

IRENE D. PAYNE, Plaintiff,

GEORGE M. BRONAUH, et al Defendants.

Under and by virtue of an order of sale and decree of foreclosure and sale, issued out of the Superior Court of the State of California, in and for the County of Los Angeles, on the 11th day of June, 1930, in the above entitled action, wherein the above named plaintiff obtained judgment and decree of foreclosure and sale against GEO. M. BRONAUH and ROSE A. BRONAUH, Defendants, on the 5th day of June, 1930, for the sum of Thirty Hundred and 88 cents and three cents (\$3,008.33) gold coin of the United States, plus interest and costs, which said judgment and decree was on the 9th day of June, 1930, entered and recorded in Judgment Book 722, at Page 13 at seq., (to which judgment and decree reference is hereby made), I am commanded to sell at public auction all the following described premises, situate, lying and being in the City of Pasadena, County of Los Angeles, State of California, and bounded and described as follows, to-wit:

That portion of Lot Two (2) in Block "A" of Tract No. 875, in the County of Los Angeles, as per map recorded in Book 16, Pages 102 and 103 of Maps, in the office of the County Recorder of said County, described as follows:

Beginning at a point in the Easterly line of said Lot Two (2), distant South 0 degrees 14 minutes East thereon, 200 feet from the Northeasterly corner thereof; thence North 0 degrees 14 minutes West along said Easterly line, 60 feet; thence South 89 degrees 46 minutes West parallel with the Northerly line of said Lot Two (2), 110 feet, more or less, to a line which is parallel with and 110 feet Easterly, measured along said Northerly line from the Westerly line of said Lot Two (2); thence South 89 degrees 46 minutes West, parallel with the Northerly line of said Lot Two (2), from the point of beginning; thence North 89 degrees 46 minutes East parallel with said Northerly line, 110 feet, more or less, to the point of beginning.

PUBLIC NOTICE IS HEREBY GIVEN that on Tuesday, the 15th day of July, 1930, at 12 o'clock noon of that day in front of the Court House door of the County of Los Angeles, Broadway entrance, I will, in obedience to said order of sale and decree of foreclosure and sale, sell the above described property, or so much thereof as may be necessary to satisfy said judgment with interest and costs and expenses of sale, to the highest and best bidder for cash, gold coin of the United States.

Dated June 11, 1930.

R. E. ALLEN, Commissioner appointed by said Superior Court.

E. H. HINSHAW, 818 West 9th Street, Los Angeles, Calif. Attorney-for Plaintiff.

88:41c.

Mr. and Mrs. W. C. Boyd returned to Seattle, Wednesday.

Joe Nash and wife spent the early part of the week in San Diego.

Mr. and Mrs. George E. Mesecar spent Sunday at San Clemente.

Mrs. C. L. Drake, of East Grandview, left Wednesday for Hartford City, Indiana, for a two months' visit with her mother.

Ernest F. Lyons, associate editor of the Carmelite, a Carmel, California newspaper, visited this city last week.

Mrs. Waldo Ward left Monday for San Francisco, to visit her sister, Miss Lillie Rorach, who is a teacher in the schools there.

Ray Grant, who has been confined to his bed since Friday, is reported to be somewhat improved.

Mr. and Mrs. Gordon McKittick and sons, Jerry, Fred and Douglas, left Tuesday morning for Lake Arrowhead for a week's vacation.

Mrs. W. F. Bovard, of Chicago, mother of Dr. Gilbert Bovard, is a summer guest at the Bovard home. Dr. Bovard is reported to be steadily improving.

Mrs. Carl Potter, of 646 West Highland avenue, left last Saturday on the Santa Fe's California Limited for Westboro, Mo., where she will pay an extended visit.

Mrs. Jean Anderson, of Pittsburgh, Pa., visited friends in Sierra Madre last Friday and was so charmed with the city that she is seriously contemplating returning in the Fall to make this her home.

Mr. and Mrs. Walter Lynch and two small daughters, of Redondo Beach, were week-end guests at "Seldom Inn" cottage on Woodland drive.

The audiences that greeted Dr. Carter at his lectures at Bethany Church on Sunday morning and Tuesday evening, were well repaid. Modern Archaeological discoveries in Bible lands were illustrated with stereopticon pictures, which tend to confirm one's faith in the Bible.

Mrs. William Roe entertained fifteen out of town guests at an elaborate turkey dinner Saturday evening in honor of the first wedding anniversary of Mr. and Mrs. E. Livston of Los Angeles.

Robert J. Davies, president of the Sierra Retail Merchants Association, announced yesterday that all stores in the city will be closed on Independence Day.

Mrs. Etta Wright, of Ontario, is a guest this week of her son-in-law, Mr. and Mrs. Ralph W. Stewart of 233 Santa Anita court.

Mrs. Laura E. Randolph, of Brookside Lane, received a clipping from the San Jose Daily telling about a shower given June 8th for Miss Goldie M. Frye, who will become the bride of Mrs. Randolph's son, Raymond Chapman, the last of this month. Thirty guests were present.

Ralph W. Stewart, commander of the 18th district of the American Legion, and Phil Dodson, local city attorney and National Executive Committeeman of the American Legion, will leave Sierra Madre tonight to attend the meeting of the State Executive Committee to be held tomorrow and Sunday, in the Veteran Memorial Building in Oakland.

Mrs. Estella Dennison is able to be on duty once more in the Norris grocery, after being absent since January.

Mrs. Mary Wilson, from Globe, Pa., who has been spending the winter at Long Beach, has been visiting Mrs. A. Wheeling.

Daniel Shaffer, father of Mrs. A. Wheeling, has left for Pennsylvania, to be gone for the summer months.

Mr. and Mrs. William Elliot and family, of Huntington Park, were dinner guests of Mr. and Mrs. Vincent Fleming Thursday evening.

Mrs. W. R. Humphries and sister, Mrs. F. K. Miller, left for Santa Barbara early this week for a short visit.

Mr. and Mrs. James Tyler, of Philadelphia, Pa., are spending a couple of months with their son and his wife, Mr. and Mrs. Tom Tyler. The family party drove to Santa Barbara last Sunday.

Mr. and Mrs. Fred Smith and son, Bruce, of Cochran, Pa., who have been visiting Mr. and Mrs. A. Wheeling, are spending a few days in Inglewood.

Mr. and Mrs. H. G. Lowe, of Long Beach, have been spending their vacation with Mr. and Mrs. J. T. Farrell. Mr. Lowe is a brother of Mrs. Farrell.

The Bethany Church picnic held at Alhambra Park was attended by 130 persons. Games and swimming races followed the picnic luncheon. Roy Edwards, Superintendent of the Sunday School, made the arrangements.

Robert Shaffer, nephew of Mrs. A. Wheeling, graduated last Friday from California Prep School at Covina, with high honors. He was awarded three prizes, the character cup, the character boy prize and a scholarship prize. He returned to Meadville, Pa., for the summer.

Mr. and Mrs. Earl Jones, of East Central avenue, are the proud parents of a six pound baby girl born June 20, in Long Beach. Mother and baby are reported to be doing well.

Miss Mary Potter, of West Montecito street, leaves today for Mexico City where she expects to attend the summer school of the University of Mexico, and also the conference of the Mexican section of the Woman's International League for Peace and Freedom, of which Miss Jane Addams of Hull House, Chicago, is the International President. Miss Potter's vacation from the Huntington Library has been extended on account of her recent illness.

Mrs. W. P. McKee returned last Thursday from a four month's visit in the East. She was accompanied by her cousin, Miss Amy Bartlett, of South Bend, Indiana, who will spend the summer in Sierra Madre. At present, Mrs. McKee and Miss Bartlett are staying with Miss Leah Fletcher.

Mrs. C. R. Bandy and son, Wayne are leaving for Crescent City, Calif., July 1st, to join C. R. Bandy and to make their home in that place. Mrs. Bandy has been caretaker of the Woman's Clubhouse. Mr. Bandy has written his wife that Crescent City is in a forward-looking community, offering many opportunities for settlers who are inclined toward agriculture.

Mr. and Mrs. Peirce Vandercook, of Chicago, are visiting Mr. and Mrs. J. M. Campbell. Mrs. Vandercook is a daughter of Mrs. Campbell. Mr. and Mrs. Vandercook and Mr. and Mrs. Campbell have enjoyed pleasure trips to Lake Arrowhead, Santa Barbara, Agua Caliente and Catalina Island lately.

Francis Eakman is to appear on the regular Sunday program at Memorial Park in Pasadena. Three other artists are on the program. Mr. Eakman will sing "Little Lad O' Dreams," by Lamont; "Give a Man a Horse He Can Ride," by O'Hara; and "Rolling Down to Rio," by German.

Mr. and Mrs. Carol E. King, of 101 East Alegria, have moved to 840 Victoria drive, Pasadena. The house in which they have been living has been sold to Col. Kruger. Mrs. King was at one time active in the Woman's Club, being second vice-president in 1928-29, when Miss Harriet Grant was president. Mrs. King dropped out of social activities since her small daughter died. Her people and her husband's people were pioneers in Los Angeles. Mr. and Mrs. King are leaving Sierra Madre regretfully and will be greatly missed by many friends.

Miss Millie Parker, of Riverside, was a guest this week at the home of her cousins, Mr. and Mrs. Herbert C. Parker, of Sierra Madre.

Mr. and Mrs. Robert Babbitt, of 38 Windsor lane, are the proud parents of a seven and a half pound baby girl born on June 23. Both mother and baby are doing well.

JUNIOR COLLEGE GIRLS
ENTERTAINED HERE

Twenty guests, members of the Phoenix Club of Pasadena Junior College, met Tuesday evening, June 24, at the home of Miss Mary Davis, 145 San Gabriel court. The hostess and Miss Frances Glidden were the only Sierra Madre girls present. After the business meeting, the evening was passed with bridge and dancing. Light refreshments were served by Mrs. Ethel R. Davis.

Mrs. Francis Eakman is entertaining today Mrs. Albion Headberg of Chicago.

Mrs. Guy F. Scott is seriously ill at her home, 117 East Grandview avenue.

Mrs. H. Carey, of Kansas City, Mo., is visiting Mrs. Mary Lewis of 153 North Lima street. Mrs. Cora Garden and Miss Mabel Nelson spent the day Wednesday with Mrs. Lewis.

Mrs. Ethel Leavy, daughter of Mr. and Mrs. Louis Karpf, is the proud mother of a seven and a half pound boy, born June 16. Mrs. Karpf and Mrs. Leavy will go to the Karpf summer home at Venice as soon as the mother is able to travel.

George Buckley, the Baldwin avenue Safeway meat clerk, is back from a two weeks' vacation trip which included a number of Southern California beaches and the Grand Canyon.

Mrs. Elmer A. Green and her daughter, Miss Anna Green are leaving for the East tomorrow, to be gone until September. They will go by the Southern Pacific to New Orleans, and from there to New York by steamer. They will visit in Washington, D. C., and Boston, Massachusetts.

The Hartman family has been busy this week attending function given by the 24th Annual State Convention of the California Pharmaceutical Association, held in Pasadena, June 23-26. Mrs. F. H. and Mrs. R. R. Hartman attended a bridge luncheon at the Hotel Huntington, in Pasadena, on Wednesday, as guests of the Association. F. H. Hartman attended a Veteran Druggist's breakfast at the Huntington Hotel, Wednesday morning. Rudolph Hartman attended an Alumni luncheon of the Association Wednesday noon. On Thursday evening Mr. and Mrs. F. H. and Mrs. R. R. Hartman attended a banquet at the Huntington Hotel, given by the Allied Drug Travelers.

GRANDMOTHER DANCES A JIG AT PARTY GIVEN ON THE EVE OF MARGARET RANAHAN'S WEDDING

When Miss Margaret Ranahan and her fiancé, George J. Vanderhaar, of Pasadena, walked in to St. Rita's Auditorium on Tuesday evening, expecting a card party, they found 175 friends gathered for a pre-nuptial party to honor their wedding which took place at St. Rita's Church at 7 o'clock yesterday morning. Rev. Father Hyacinth Clary officiating.

In the midst of the gay party the guests of honor saw a huge table piled high with gifts and the strains of "Here Comes the Bride" from Hans Larsen's orchestra greeted the ears of the surprised couple.

The hall was decorated with blue and white festoons of crepe paper. Della Curley, KFI singer, a cousin of Miss Ranahan, sang "I Love You Truly," "Indian Love Call," and "When Irish Eyes Are Smiling." The audience joined in the chorus of the last song. Miss Celesta Nuccio played three numbers on the accordion.

Mrs. Mary McCloskey, the 75-year old grandmother of the bride, danced a jig to one tune of the accordion.

At the wedding ceremony yesterday morning the bride marched to the altar attended by Miss Helen Ranahan, her sister, as bridesmaid. Edward Osterman, of Pasadena, was best man. John Schuester played Mendelssohn's Wedding March on the organ and later Mrs. John Schuester sang the "Ave Maria." Peter Ranahan, father of the bride, gave the bride away.

The bride was attired in a sport suit, of pale blue with hat to match. The bridesmaid wore a yellow sport ensemble with hat to match. The bridesmaid and best man accompanied the happy couple to Pasadena for a wedding breakfast, immediately after which they left by motor for a two weeks' honeymoon in the Yosemite. They will reside in Pasadena.

Dr. and Mrs. John H. Brice entertained Dr. and Mrs. George Ackleberg, of Montebello, on Sunday.

Miss Marie Welch and brother John, of St. Petersburg, Florida, spent Wednesday and Thursday at the home of Mrs. Lucile Gar-ton.

The greatest single cause of fire loss is what is known as "exposure." It is responsible for close to 70 million dollar annual waste. The term exposure is applied to any fire that extends from its place of origin to another building.

CHINESE VETERANS FORM A LEGION POST

As the first organization of its kind within the American Legion in continental United States, San Francisco Chinese-Americans have formed Cathay Post of the World War Veterans' Organization and have already secured clubrooms in the Chinese section of the city. Mon Owyang is Commander of the new Post and Li-Sum Wong is Adjutant with Lee J. Poo as finance officer. The American Legion boasts of another Chinese-American Post in Honolulu.

Mr. and Mrs. W. E. Pratt, of 677 West Grandview, entertained Mr. and Mrs. Vincent Fleming at dinner last Sunday, afterwards playing miniature golf in Pasadena.
